Other donations:

~ **Cleaning supplies (i.e. paper towels, cleansers for floors/windows, etc...) donated by Emit Grove**

~ **Various monetary donations to the Mann Up! Campaign ... FROM: Brooklet FBC, Elmer, Friendship, Olive Branch, ORBA's WMU, SFBC Agape & Open Door Sun. School Classes, Union & over a dozen individuals**

\* #9 – We are suggesting replacing the wooden siding where necessary. Vinyl siding on all buildings would be nice (cost estimates run from \$4,000-7,500 per building & there are 10 buildings).

\*\* #10 – We have the shingles; we just need the labor.

 PLEASE NOTE: Some items have been paid for; however, we need volunteers to complete (ie. an electrician for LED light installation).
